

26540 ROBLE D.O.C.A. RIOJA

GRAPE VARIETIES

95% Grenache from old vines + 5 % other varieties, all planted in the same plot, in vineyards on the slopes of Yerga.

PAIRINGS

Perfect with appetizers, pasta, rice, salads and white meats.

TASTING NOTES

26540 ROBLE represents the essence and tipicity of the geographical area of Alfaro and its Yerga mountain. Fresh, elegant, structured and easy to drink, it is reminiscent of the wines that have been always made in the villages of Rioja Baja. Rounded for about five months in French oak barrels from the Seguin Moreau cooperage, one of the most prestigious in our neighboring country.
