

A GROWER'S TOUCH

AUSTRALIA

A Growers Touch, focuses on the production of more traditional varietals, all grown locally out of the Riverina and by farmers who we have worked with for two decades. The label offers credit to the farmers responsible for growing the grapes. It showcases local fruit & places emphasis on the importance of 'terroir'. Each farmer responsible for the grapes gone into making A Growers Touch, feature both on the front & back of the appropriate wine bottle, in order to share with you the faces and hands gone into making these stunning wines.

A GROWER'S TOUCH CHARDONNAY

TASTING NOTES

Rich yellow-ochre glow in color, aromas of nectarine, peach and orange blossom. Flavors of white nectarine, stone fruit and citrus, balanced acidity and subtle French Oak.
