MR LUSH CABERNET SAUVIGNON

TASTING NOTES

Color: Dark purple fruit first but also that marine airiness cutting through the ripe and lush constitution. Ripe but compact and dusty-astringent. Nose: Bold and richly fragrant, has lifted, slightly confected black currant, mulberry, thyme, some dill and minty greens and elegant oak spice character. Palate: A beautifully flavorsome palate offering excellent weight and persistency. Tannin: It is sweet-edged yet tannic, well structured by fine chalky tannins.
